

Apple Mountain Lake POA Board Meeting

October 18, 2023

Call to Order 7:00 pm

All present except Kristy, Melinda, and Sam. Tiny came in at 7:15

Last months minutes were approved unanimously.

Communications Committee - Hoping to get a newsletter out for October but not sure if it will happen.

Architectural Committee - House on Granny Smith needs a permit or a stop work order will be submitted to owner.

Building and Grounds Committee needs a new head.

Lake Committee - Dock needs to be removed for winter.

New Business - Do we want to start limiting street lights to minimize light pollution? Add this to the Arch Permit so people would have to apply for one and require signature of neighbors.

Playground equipment - issues will transportation but it is on its way.

ATV Issues - Education everyone on how to file a complaint and not just post things on Facebook.

Possibly have people register the ATV's with POA.

Crab Apple Court is washing away and it needs attention.

November meeting canceled due to two meetings in October, the monthly and annual.

Mark motioned to adjourn and Deanne seconded it.
