SAFETY COMMITTEE GUIDELINES (SC)

SAFETY COMMITTEE GUIDELINES (SC)

Purpose:

The purpose of this committee is to define and identify safety and security related issues in the community, related to improving, establishing, and enhancing Safety for homeowners, visitors, and property of the Blue Ridge Shadows Homeowners Association.

Concept:

Evaluate Safety related issues within the community.

Evaluate and discuss community concerns in Safety Committee Meeting, then report to the Blue Ridge Shadows HOA Management Company.

Establish and work closely with County Sheriff Department Community Resource Officer to facilitate safety educational programs and coordinate law enforcement assistance to the community as appropriate.

Provide quarterly updates to the HOA Newsletter concerning actions of the committee and community concerns related to Safety.

Membership:

Any community member may serve on the Safety Committee if they are in good standing. All members must be approved by the Board of Directors. No limits on committee size, keep it manageable. The Safety Committee will elect the Chair annually within 30 days after the Association Annual Meeting.
