Greetings Ravens Oaks HOA,

First and foremost, thank you for choosing Evolution Disposal to service your community with weekly Garbage Collection and Recycling Services. As a small family company your support is greatly appreciated.

Please allow me the time to introduce our company and our family. Evolution Disposal is Family-Owned & Operated and located in Winchester, VA. Our family has decades of experience in the Waste Management industry which enable us to provide exceptional Garbage Collection and Junk Removal services. Multiple generations of our family have made the Waste Management industry a career as well as a passion. We truly love what we do and look forward to servicing your community.

If you look below, you will find information which include:

Thank you for your time,

Victor Garcia

President

How to Sign Up

To begin services you can visit our website at www.evolutiondisposal.com and use the Sign Up form to sign up online.

When using our sign up form be sure to select the "Raven Oaks Community" option under "Select Service(s)".

Note: If signing up online ONLY select the "Raven Oaks Community" option. DO NOT select any of the other possible options.

You may also call our office at 703-431-4851.

Rules

Each household is permitted to set out one 96 gallon can for garbage collection and one 96 gallon can for recycling. Each household will be provided with two 96-gallon cans at no cost. Bins must be placed by the street in a place easily accessible to our pickup crew by 5am pickup day. We recommend placing the bins out the night before collection.

Bins provided by Evolution Disposal are property of Evolution Disposal. Please do not mark the bins and containers with anything permanent. Our bins will be collected at the end of service.

Garbage Collection: Trash is picked up on Tuesdays and our trucks start collection at 5am. Please have your bin out the night before pickup or before 5am.

We will only empty our provided trash bin. We do not accept paint, concrete, dirt, wood, rocks, sand, tires, car batteries, large metal items, construction/remodel debris, televisions, gas, oil, explosives, flammable items/liquids, animal carcasses, manure, live ammunition, weapons, oxygen/helium/propane tanks, freon, mulch, sod, firewood, stumps, rocks, and bags over 60 pounds. If the trash bin has any unaccepted items, they will not be emptied. Sharp items like razor blades, needles, and knives should be placed in a durable container to reduce the risk of injuries. Please bag Styrofoam and shredded paper to keep it contained. This helps keep your community clean.

Yard waste must be in paper bags and left outside of your bins. We accept up to 4 yard waste bags each week.

Accepted Yard Waste: Grass, weeds, trimmings, leaves, and twigs.

Unaccepted Yard Waste: Dirt, mulch, sod, firewood, stumps, and rocks.

How to Contact Evolution Disposal

Call or text us at 703-431-4851

Email: connect@evolutiondisposal.com

Website: www.evolutiondisposal.com

We also have a Customer Support page on our website which you can use to contact us, report a missed pickup, request a large item pickup, and more.

Curbside Pickups & Junk Removal:

If you have any unaccepted yard waste or larger items that you need removed, give us a call or visit the customer support page on our website.

We can remove these items curbside for an additional cost. You will always know the cost before we remove anything. We can also remove items from inside of your home such as, furniture, appliances, electronics, construction debris, and more. Visit the junk removal page on our website to schedule or to get a free estimate. You save 10% on our junk removal services by using our garbage collection service.
